## GEORGIA PEDIATRIC PROGRAM

**GAPP** (Georgia Pediatric Program) is a Medicaid program that provides services to medically fragile children under age 21 in need of skilled nursing care with **NO COST** to the family. Services are provided in their homes and communities.

## Our Professionals

The nursing care professionals employed by our company include: Registered Nurses, Licensed Practical Nurses, Patient Care Technicians and Certified Nursing Assistants.

## Mission

Our Mission is helping people maintain their safety, independence and dignity in an environment of mutual respect and compassion.

## Our Promise

- No Hidden Fees
- Oversight by a Registered Nurse
- No Minimums - From 1 hour to 24 hours
- Matched for Compatibility

## One of a Kind

As allowed by state law, our medically trained caregiving staff can provide a level of in-home care not found within many other home care companies.

## Our Caregivers

- Experienced Nannies
- Certified Nursing Assistants
- Experienced, Patient, Compassionate
- CPR Certified, TB Tested
- Background Checked, Drug Screened

## Comfortably

In home skilled nursing can help your loved one live comfortably in their home, wherever that may be. Contact us today and see how skilled nursing services can help you and your loved one.
